We guarantee the quality of this vehicle

When you purchase this pre-owned vehicle, you can feel confident in knowing that you're the proud, new owner of a quality vehicle. Other dealerships may promise that their vehicles are solid, in great shape and without problems, but our dealership guarantees the condition of this vehicle with a Certified Protection® warranty.

Vehicles with a Certified Protection® warranty have passed a 110-point inspection process that covers nearly every mechanical aspect of this vehicle. The warranty ensures that if any covered part fails during the warranty period, we will pay to repair or replace the covered part. There are no costly parts or labor charges to pay and no headaches. You simply pay a small deductible, and you're on your way. In addition, the Certified Protection® warranty includes rental reimbursement, trip interruption and emergency roadside assistance.

Extending your coverage

You may want to consider additional protection to cover your vehicle after the Certified Protection® warranty has expired. A Zurich vehicle service contract is a smart way to protect yourself from the increasingly high cost of vehicle repairs. Like the Certified Protection® warranty, a Zurich vehicle service contract covers parts and labor costs to repair or replace major component groups. Plus, you continue to get the value-added benefits of rental reimbursement, trip interruption and emergency roadside assistance.

With a vehicle service contract, you can add protection to additional vehicle systems and extend your coverage for a longer period of time. A vehicle service contract adds only a minimal amount to your monthly vehicle payment, or you may want to take advantage of our interest-free payment plan. Either way, you'll eliminate costly repair bills later on. A vehicle service contract can keep your costs down and keep your vehicle running down the road.

You've made a great decision. As you drive home in your new car, you can feel proud and confident with your choice. After all, your vehicle is covered by a Certified Protection® warranty.
